

Hi to all volunteers, here are some notes that were discussed in the volunteer's meeting on 1/9/20.

- We received \$1,281 for 47 student signups for the Fall 2019 quarter
- It was discussed that most of our signups come for the Window 10, Computer Basics, Facebook and EBay courses plus a few others. SINCE WE NEED TO INCREASE THE NUMBER OF STUDENTS WHO ATTEND CLASSES, It was decided that it was a good idea to increase the number of courses that people are signing up for. So, if anyone would like to volunteer to teach one of these courses, we can schedule the both classes. The new instructor can help choose the time and day they would like to hold the class. Please let me know if you can do this. Do not be afraid, it is not that hard to teach a class.
- A distribution list for Senior Assistant homes has been made and we will try to email the class schedule report for each quart to them so they can post it at their facility.
- There was a lot of discussion on how to increase enrollment and what classes to hold.

Please determine if you still want to be on the volunteer list and let me know if we should remove you. Thanks for all you have done in the past and will do in the future.
